## RECARO Executive Operating Instructions

### Comfort Headrest:

Height & tilt adjustable. Well padded and trimmed for excellent comfort.

### Adjustable Side Bolsters:

Provides extra support and lower back comfort.

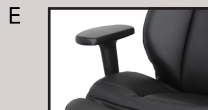

### Airmatic Lumbar Support:

Triple chamber design provides extra support for your lower back.

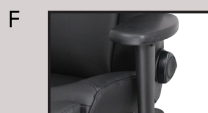

### Height Adjustment Lever:

Lift paddle to adjust height up and down.

### 4D Armrests:

Height, width, length, and angle adjustable.

### Recliner Knobs:

One located on each side of the chair. 25° recline with 20° tilt range provides a full 45° of recline and relaxation.

### Tilt Lock/Unlock Knob:

Push button in and release to lock/unlock tilt position.

**2.5" Seat Cushion Extension:** Provides extra support for longer legs.

### Tilt Tension Control Knob:

Controls the tension in the knee-tilt mechanism. Turn counter-clockwise to increase tension.

### Seat Cushion Tilt-Up Adjustment:

Press buttons located on each side to adjust.
